Lake Fairfax Marina Completed; Ribbon Cutting Set

Ribbon cutting ceremonies are slated for Saturday, June 3, 2006 at 8:30 a.m. for the recently completed marina complex at Lake Fairfax Park in Reston. The project is just one phase of a multi-phased, multi-million dollar facelift underway at this Fairfax County Park Authority facility. Chairman Gerry Connolly and other members of the Fairfax County Board of Supervisors will join the Park Authority Board in this celebration.

The \$1.7 million project included the demolition of the existing dock, boathouse and access stairway. Also included was the construction of a new fixed dock, installation of handicapped accessible floating docks, construction of a new boathouse, construction of a new handicapped accessible ramp/route to the marina facilities and construction of new stairways to access the marina.

The project was designed by a local architectural firm, Studio 3 Architects of McLean, VA. Construction was completed by Desbuild Incorporated of Hyattsville, MD.

Lake Fairfax Park's 476 acres feature an 18-acre lake, The Water Mine – an outdoor swimming pool with western themed waterpark features, seasonal fishing, campgrounds, picnic areas, trails, a carousel and playground. Swimming is prohibited in the lake. For more information contact the Public Information Office at 703-324-8662.

Lake Fairfax Park is located at 1400 Lake Fairfax Drive and may be reached by taking Beltway Exit 47A which is Route 7 or Leesburg Pike west to a left on Baron Cameron Avenue to the second left on Lake Fairfax Drive.
